6. [REDACTED] was over to get my reaction to buying some additional air conditioning equipment from confidential funds. I noted that several of the requests which he had received were for individual offices such as those occupied by the Executive Assistant to DD/P and Executive Assistant to DD/I. I told him I would recommend that we proceed with the purchase of such air conditioning equipment as was absolutely essential but that individual offices such as those above would not be air conditioned from confidential funds.
